

**STATE EMERGENCY RESPONSE COMMISSION (SERC)
TRUMBULL COUNTY EHS REPORTS FOR CALENDAR YEAR 2017**

Trumbull County EHS Facilities

A list of current EHS facilities and reports is kept in the Trumbull County HAZMAT and EMA office. To obtain a copy you can call (330) 675-6601. Refer to the LEPC 2017 TIER II REPORTING Tab 3.

EHS HAZARD ANALYSIS

A Hazard Analysis has been completed for all facilities within Trumbull County containing Extremely Hazardous Chemicals.

Hazard Analysis was completed using the Cameo program.

By using annual (State Emergency Response Commission) SERC Filings to determine the chemical and quantity of chemical, we determined by worst case scenario the maximum area to be affected by any escape of chemical.

Trumbull County Hazard Vulnerability Identification
